

# **DISCERNMENT**

*Prophetic Training Video Notes*

This is a time where prophetic discernment is needed more than ever.  
We discern the spirit of a situation or an individual.

## **Discernment is be discerning the source**

- Is this God/Holy Spirit?
- Is this the devil?
- Is this flesh or soul (mind, will, emotion)?

We see a classic case of discernment where Jesus. Matthew 16:23 says, “*Get behind me Satan! You are a stumbling block to me, you do not have in mind the concerns of God, but merely human concerns.*”

Even when Peter one of the chosen could slip into humanness or soulish-ness; Jesus discerned his heart.

Because of the shaking over the last 3 years, and so many voices coming forward, prophetic discernment is more necessary than ever. People are looking for the Holy Spirit’s guidance from prophets and prophetic people.

We have to determine not to get distracted or stuck during this time of transaction.

God is wanting to give keys of revelation & I believe we are to ask for both wisdom & discernment. We are in a time of uncertainty & unpredictability so we have to listen carefully to what the Father is showing us.

We are to stay steady, shake off weariness & become prophets of revelation.

As we upgrade our discernment, we become a gift to the church

Becoming prophets of His presence we learn to “be still and know”. (Psalm 46:10)

In the Amplified version, it says “Be still & know” (recognize, understand) that I am God.

The questions: “Am I stuck because God is constraining me or is the enemy withstanding me?” is an often asked question for a prophetic person

People are looking for pillars in the time of uncertainty & I believe developed prophets can provide that insight & stability.

Grahame Cook highlights “We need to know what’s being bound in Heaven that needs to be bound on earth and we need sharp discernment to have this knowledge.
